Step into the future

With advanced technology, well-equipped laboratories, sustained focus on values and a zeal to groom bright citizens of tomorrow, The Newtown School is on a happy high.

TEACHERSPEAK

When teaching French, the key is empathy and understanding. One must be patient and focused to build a strong foundation. The curriculum is designed to make learning enjoyable and interactive. Teaching French is not just about imparting knowledge, but also about instilling cultural appreciation and awareness.

— Ravi Shankar
Head of Department, English

STUDENTSPEAK

I have been learning French since I was 10 years old and I have always found it to be a challenging yet rewarding experience. The language is not only used in France but also in many other countries around the world.

— Nivedita Dasgupta
Class 10

I am currently learning French as a subject and I find it to be fascinating. The rich culture and history associated with the language are very interesting.

— Akshita Sharma
Class 9

I am looking forward to learning more about French culture and its impact on the world stage.

— Avani Sawant
Class 8

The exposure to different cultures through the school’s diverse student body has been enriching. It has helped me develop a broader perspective.

— Riya Jha
Class 8

PLAY TIME

Playtime is an integral part of our school life. It helps in developing physical, mental and social skills. We have various sports and activities available for students of all ages.
